"Sky Fitness has been an amazing experience for my wife & I.....Now our friends and family are here and we just love it!" 5 stars!

Mike S "Great facility. Been going there for a while. The amenities are top notch along with an excellent staff to assist in educating you on any training, or goal setting"

Ginger L" Very clean (the pricey gym down the road doesn't come close). The bathrooms/showers are the cleanest I have experienced. I see staff frequently picking up weights, towels, etc. If you are serious about getting in a good workout, this is the place."

Carrie D "It's taken me a little over a year and a half to realize and appreciate all Sky Fitness has to offer and my only regret is that I didn't figure it all out sooner. Do yourself a favor and try something new at Sky. You'll thank yourself for stepping out of your comfort zone. And, the best part is, most of these classes are included with your membership!"

*This Sky Fitness exclusive promotional offer for three months free is only available to new members from **The Millbrook Business Park**. This requires an annual commitment!
